

Cen-Tex, Longhorn, and Mid-Tex Corvette clubs would like to invite everybody to our NCCC event for the fall of 2008. Come to Central Texas and join us for 14 low speed autocrosses at the TSTC airport on October 4 and 5. We will do our best to maintain a fast, cone free, fun-filled course. And yes, we are continuing to run the course inside and outside of the fence. This provides the best course we can offer; one section which is tight & technical and another section which is fun & fast. We know you will enjoy it.

We will start Friday night with hospitality and tech inspection until 9:00 PM at the hotel. After tech, you will be able to leave your rig at the track on Friday night. Gates will be locked at 6:00PM for your security. After 6:00, you can still leave your rig outside the gates at the track.

We will be providing an indoor, sit-down lunch Saturday and Sunday, which is included in the complete weekend registration package. During registration, you will be handed your lunch vouchers, so please hang on to them, or you'll go hungry. Non-drivers can purchase lunch for \$5.

Saturday we will complete the autocrosses as efficiently as possible, to allow you plenty of time for relaxation and celebration. The drivers meeting will start at 8:00 AM. The first car on the track by 8:15AM. There is also a Regional Governor's meeting at 8:00PM at the hotel.

Hotel is the Best Western Old Main Lodge, located at 1320 Jack Kultgen Freeway (I35) in Waco. The rates are \$84 per night for up to 4 adults. Ask to speak to Gloria Norris and mention the block reserved for the Corvette Club. We will release the rooms on September 5, so please plan ahead. Hospitality and tech inspection will be available at the hotel. The Old Main Lodge phone number is 254-753-0316, or toll free 1-800-299-9226.

To keep costs to a minimum, there will be no awards, shirts, or trophies. We would rather provide you with thrills, not frills.

Please remember, **no smoking, alcohol, or unattended children** in the hangar. If George W is in town, an alternate location for the autocross will be used.
