

Larry Kolb, Southwest Region NCCC Memorial Scholarship Program

To: Southwest Region Club Governors and Club members
From: Mary Anne Kolb, Regional Scholarship Director
Subject: Club Newsletter Presentation of the Program's Overview

It has been a number of years since we began this endeavor. Each Southwest Region Club and each individual Southwest Region member has played an important part in the success of this program. The amount that you have donated and the number of recipients has grown significantly each and every year. The overall level of participation, once again, indicates the strength and quality of our regional members.

As in the past, a number of club governors and individual club members have indicated that their clubs intend to contribute monies for this year's scholarship fund. Please outline this program at the next club meeting and post this information in the respective newsletters encouraging the club to contribute whatever they can to the scholarship fund. This is a very positive way of giving back something to the membership, and it is a program that we can all take pride in.

I would also ask that you make your contributions by June 1st so we will know how many grants we can award. The Regional Treasurer will accept your donations any time during the year, but funds received after June 1st will be used for the next year.

The following dates are important for those interested in applying for a scholarship.

Please make sure your club members have access to this information:

1. **March** – applications are sent or given out at the first governor's meeting...Governors, if you need one and don't have internet access to the website, please contact me at: 331 Riverside Drive, San Marcos, Texas 78666 or for questions: (512) 392-4285
2. **June 15** - POSTMARK for last day for accepting applications
3. **July 1** – review applications and send letters to those receiving scholarships
4. **August 1** – mail checks to the scholarship recipients (approximately)

Thank you for your support!
