

Notes from May 2012 RCD Meeting

1. VP of Comp mentioned SAFETY first.
2. 1002 national sanctions to date, 94 for the SW region.
3. Updated national points as of 5/3/2012, with 102 events.
4. Record Drags have been updated by VP. They will be updated (altitude adjustment) for record drags this week and sent to governors.
5. 2012 convention, signups still available. Valve cover races have 40 entrants. High speed is 2.1 mile configuration.
6. Rulebook clarifications:
 - a. Use of 2009 and up C6 Z06 Dry Sump in 2006-2008 Z06 Corvettes, Yes
 - b. Use of 2012 Carbon Fiber Hood in 2006-2010 Z06 corvettes, No
 - c. Use of 2011 X pipe in 2006-2010 Z06 corvettes, No
 - d. Concours classifications, Bras and aftermarket C6 front license frames, added each as a point in modification group. License plate needs to be both bracket and license plate holder to be a point addition for judging.
 - e. Patches for 2011 were received.
7. Current rules to be reviewed:
 - a. Eliminate minimum new tread depth requirement of 8/32"
 - b. Reviewing 35 day reschedule requirement
 - c. Revise National points championship (SW Region method), not passed
 - d. Create 4 groups in new class Group 2 street, possibly as a test for a year or two to see if it will increase participation.
 - e. Allow proof of insurance to stay in car (interior in show must be empty, section 7.8 item 5)
 - f. Another option for national champion, probably won't pass.
