

Wild West Vette Fest 2012

Winter is approaching, but don't park the Corvette in the garage yet!! The Texas Outlaws Corvette Club is closing out the year with a fun filled day of autocrossing on **Sunday, November 18 at Pennington Field in Bedford, Texas.** TOCC will host 7 low speed autocrosses.

Pennington Field is in Bedford, Texas off of Highway 121/183 near Fort Worth. We will be using the 4 acre parking lot as a track and staging area. The parking lot on the north side of the track will be used for rig parking. We will start Sunday morning at 7:00 AM with sign-in and tech inspection. The driver's meeting will start around 8:15 AM with a course walk-through and 1st car out following afterward.

We are not planning to stop for lunch—however, the Dog Pound Gourmet Hot Dog truck will be on location. If you were at the Regional Fundraiser you know how good their food is!

This will be a no-frills, pre-registration only event and no trophies will be awarded. Since this is a one-day event, there will be no host hotel and no hospitality. There are several hotels within 5 minutes of Pennington Field.
