

Texas Competition Corvette Club

Cen-Tex Corvette Club

Cen-Tex and Texas Competition Corvette clubs invite you to our NCCC event for 2013. Come to Waco and join us for 14 low speed autocrosses at the TSTC airport October 12/13. As always, we will do our best to maintain a fast, cone free, fun-filled course and plan to be running outside the fence as well as inside.

You will be able to leave your rig at the facility on Friday night . You can leave your rig outside the gates of the track at night. Tech will be at the track till sundown on Friday then Saturday and Sunday morning up until the drivers meeting.

An indoor, sit-down lunch will be provided on both Saturday and Sunday as part of the complete weekend registration package. Lunch vouchers will be handed out during registration. Hang on to them or you'll go hungry! Non-drivers or guests can purchase lunch for \$7.

Saturday we will complete the autocrosses as efficiently as possible so that there is plenty of time for relaxation and celebration. Sunday we will quickly complete the remaining autocrosses to get you loaded and back on the road. The drivers meeting will start at 8:00 AM. The first car on the track after the drivers meeting.

To keep costs to a minimum, there will be no awards, shirts, or trophies. Our goal is to provide you with thrills, not frills.

Please remember, **no smoking, alcohol, or unattended children** in the hangar.

A list of local hotels is being provided since no host hotel was secured for this event.
