

OKLAHOMA THUNDER 2014

May 10-11, 2014

TRACK LAPPING SESSIONS AVAILABLE TO QUALIFIED DRIVERS (*1)

The Southwest Region on NCCC has its annual timed high speed autocross planned at Hallett on May 10-11, 2014. This year we are opening up the competition schedule to include track lapping sessions throughout the day to qualified drivers. The cost will be \$125/day or \$225/Saturday and Sunday per driver. You will be given at least 5 15-minute sessions throughout the day. NCCC racers can also enter the remaining lapping sessions on Sunday after completing all their NCCC timed runs for \$50/driver. Transponders and raceports will be available for rent from the Hallett officials.

No membership fees are necessary for the lapping sessions; however, you will need a current High Speed Touring license from Hallett or another similarly sanctioned venue approved by NCCC officials. Be sure you have long-sleeved cotton shirt and long pants, closed toe shoes, SNELL certified helmet, good brakes and tires, and you will be required to sign a release of liability and a medical release with Hallett. A current tech sticker for your sanctioning group will be accepted for the track day. While participating in the lapping sessions, remember they will be run according to Hallett High Speed Touring rules. For any other questions concerning the rules, the High Speed Touring rules are published on the Hallett web site.

Send registrations to: **Brett Ruston - 800 Old Bugle Rd. Edmond, Ok, 73003 (*1) A minimum of 8 single day registrations are needed to put this event on. If the minimum is not secured by May 8th. you will be contacted by phone to be informed it has been canceled and your entry fee will be refunded.**
