

Wild West Vette Fest 2014

If you haven't heard, spring is approaching--better change the oil in the Corvette and put on some fresh tires!! The Texas Outlaws Corvette Club is starting early this year with a fun filled day of autocrossing on **Sunday, April 6th at Pennington Field in Bedford, Texas.** TOCC will host 7 low speed autocrosses.

Pennington Field is in Bedford, Texas off of Highway 121/183 near Fort Worth. **Due to construction in the area, traffic is thicker and the roads will look different from last year. As far as we can tell, the Central Dr exit will be open.** We will be using the South Parking Lot as the rig parking and pit area. The North Parking Lot will be the track, just like we ran it last year. We will start Sunday morning at 7:00 AM with sign-in and tech inspection. The driver's meeting will start around 8:15 AM with a course walk-through then 1st car out following afterward.

We may take a short break for lunch, but we recommend a hearty breakfast in case we try to work through it to finish early.

This will be a no-frills, pre-registration only event and no trophies will be awarded. Since this is a one-day event, there will be no host hotel and no hospitality. There are several hotels within 5 minutes of Pennington Field.
