

Pre-Banquet Pole Position Challenge

Here's an opportunity to compete straight-up against your fellow Southwest Region competitors. The indoor facility is only a mile from the host hotel. The format is almost identical to the new NCCC time trail speed event....your best lap counts against all other entrants in one class for overall bragging rights.

No registration necessary, just show up anytime at the Pole Position facility on Saturday to run as many sessions as you like. Then to enter, simply turn in your best results sheet upon arriving at Mattitos' for the Regional Banquet. It is anticipated that most of our folks would be competing during the 3:30 to 5:00 pm time frame.

Arrive and Drive - Race Pricing

The adrenaline-filled arrive and drive format is designed for walk-in racers on a first-come, first-served basis. Frisco go kart races are scored on the single-fastest lap time, which is shown in real time on large projector screens and supplied after the races on a results sheet pictured on the left. The indoor Frisco, TX location is fully heated & air-conditioned.

12-Lap Sessions

Pole Position Members \$16.95 (each session)
Non-Pole Position members \$21.95 (each session)
