

# Texas Competition Corvette Club

August 15, 2015

The Cen-Tex Corvette Club invites you to our NCCC event for 2015. This year we are going to have a one day event with seven low speed autocrosses at **Motorsports Ranch in Cresson, Texas**. We will be using the 1.3 mile course which will keep this a low speed autocross, no NCCC HSL required.

You will be able to leave your rig at the track on Friday night. Tech will be at the track till 8pm on Friday then Saturday morning up until the drivers meeting.

No lunch will be provided in order to keep entry fee to a minimum. There are several establishments close by or you can bring yours with you. We do plan to run an efficient event allowing for a lunch break.

The drivers meeting will start at 8:00 AM. The first car on the track by 8:15.

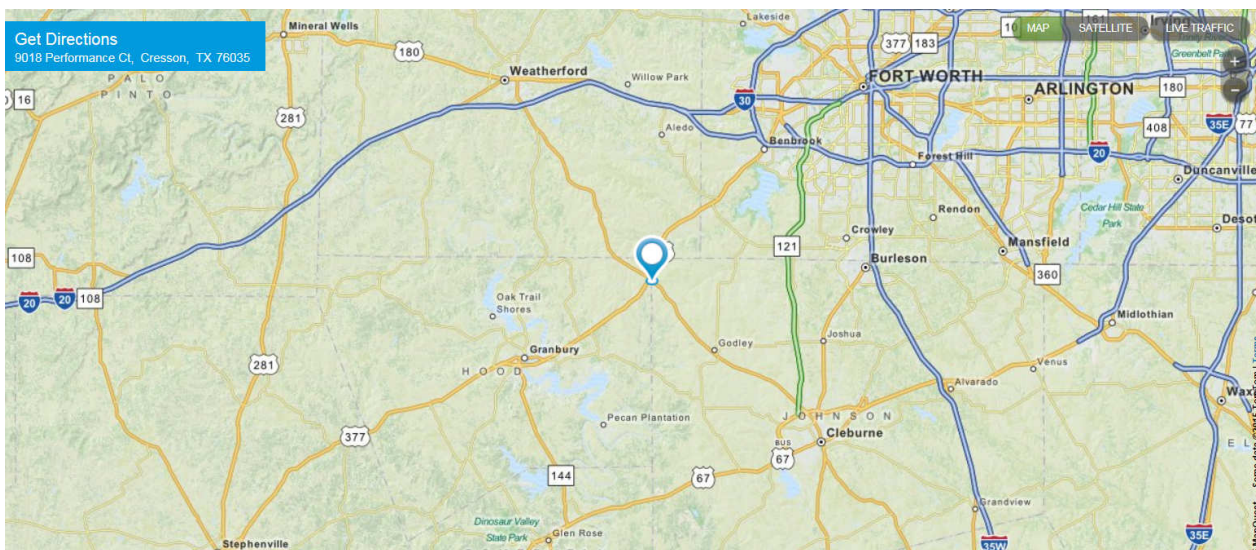

To keep costs to a minimum, there will be no awards, shirts, or trophies. Our goal is to provide you with thrills, not frills.
