

Cen-Tex Corvette Club

The Cen-Tex Corvette club invites you to our NCCC event for 2015. Come join us for 7 low speed autocrosses at the Prairie Hill Dragway on Sunday November 1, 2015. As always, we will do our best to maintain a fast, cone free, fun-filled course.

Tech will carry over from the Tejas event on Saturday.

Lunch will be provided as part of the complete day registration package. Lunch vouchers will be handed out during registration. Hang on to them or you'll go hungry! Non-drivers or guests can purchase lunch for \$7. Seating is limited so you should bring your chairs.

We plan to complete all autocrosses in short order to get you loaded and back on the road. The drivers meeting will start at 8:00 AM. The first car on the track by 8:15.

To keep costs to a minimum, there will be no awards, shirts, or trophies. Our goal is to provide you with thrills, not frills.

Your GPS may not find this so the included map and directions are your guide.

A list of local hotels is being provided since no host hotel was secured for this event.
