OKC's latest edition is a driver training center for the County Sheriff's department. Over a mile in length, smooth, fresh blacktop. Very challenging, very, very fast!!!

HOWEVER, tow rigs/trailers will have to park in the grass. Once your car is in staging, it will be very difficult to get back to your rig...plan accordingly.

THUNDER VALLEY RACEWAY PARK
This facility needs no introduction to regular SW Region drag racers. Full, 100%, concrete ¼ mile!! All 3 events are separate, plus plenty of time trials. If you never get enough runs during the day, this is the event for you!!!
