

# Cen-Tex Corvette Club

August 13/14, 2016

The Cen-Tex Corvette Club invites you to our NCCC event for 2016. We will have **14 low speed autocrosses** at **Motorsports Ranch in Cresson, Texas**. We will be using the 1.3 mile course which will keep this a low speed autocross, no NCCC HSL required.

You will be able to leave your rig at the track on Friday night. Tech will be at the track till 8pm on Friday then Saturday/Sunday morning up until the drivers meeting.

No lunch will be provided in order to keep entry fee to a minimum. There are several establishments close by or you can bring yours with you. We do plan to run an efficient event allowing for a lunch break. As of the writing of this flyer the new club house is under construction and is scheduled to be ready for our event. It will have air conditioned seating and bathrooms.

The drivers meeting will start at 8:00 AM. The first car on the track by 8:15.

To keep costs to a minimum, there will be no awards, shirts, or trophies. Our goal is to provide you with thrills, not frills.

We are going to be allowing non Corvette and/or non current NCCC members to enter the event this year. The rate will be higher to cover a "Enthusiast" membership. The entry deadline allows us time to process the membership. This level of entry should adhere to the deadline so we can process the membership. Below are the rules for these entrants:

1. Entrants that are not NCCC members driving Corvettes that meet the safety and classification requirements of a NCCC Class may participate in that Class.
  - A. They will not be awarded points, nor affect member's points.
2. Entrants that are not driving Corvettes may compete in Guest Class(es) provided:
  - A. They meet the safety requirements of Group 2 if using any DOT approved tires, or meet the safety requirements of the equivalent Group 3 Class if using tires not approved by DOT.

The safety requirements can be located on the web at:
