**Mid Coast Corvette Club**  
**March 17-18, 2018**

We look forward to having everyone at our NCCC event for 2018. We will have **14 low speed autocrosses**. We will be using our venues from last year, McLane Stadium (Baylor football) in Waco. This is a large smooth asphalt parking lot.

You will be able to leave your rig in the stadium parking lot Friday and Saturday night. Tech will be at the stadium till 8pm on Friday then Saturday/Sunday morning up until the drivers meeting.

**We will have a concession stand on site each day that will** include burgers and such for lunch. Each pre-registered 14 event entry will receive a \$5 coupon for each day to use at the concession stand (one per day). We do plan to run an efficient event allowing for a lunch break.

The drivers meeting will start at 8:00 AM. The first car on the track will be at 8:15.

To keep costs to a minimum, there will be no awards, shirts, or trophies. Our goal is to provide you with thrills, not frills.

We are going to be allowing non Corvette and/or non current NCCC members to enter the event this year. The rate will be higher to cover an "NCCC Enthusiast" membership. The entry deadline allows us time to process the membership. This level of entry should adhere to the deadline so we can process the membership. Below are the rules for those entrants:

1. Entrants that are not NCCC members driving Corvettes that meet the safety and classification requirements of a NCCC Class may participate in that Class.
  - A. They will not be awarded points, nor affect member's points.
2. Entrants that are not driving Corvettes may compete in Guest Class(es) provided:
  - A. They meet the safety requirements of Group 2 if using any DOT approved tires, or meet the safety requirements of the equivalent Group 3 Class if using tires not approved by DOT.

The safety requirements can be located on the web at:

**Everyone will sign the NCCC waiver!**

**Something that may interest those not racing or after the event is the Magnolia Silos and market (Fixer Upper) is only 1.5 miles away**
