

Corvette Association of South Texas (COAST)

Spring Weekend, May 16 & 17, 2020

COAST invites you to our spring weekend. We will be hosting 7 low speed autocross events, matching times drags, bracket drags and record drags (all drags are 1/8 mile). This year's autocross will be held at TSTC Campus, Waco, Tx and the drags will be held at Little River Dragway, in Holland, TX. This is a no frills weekend, so no awards, t-shirts, etc. What we will provide is a fun weekend of racing. A big thank you to the Longhorn Corvette Club as they will be putting on the low speed autocross.

On Saturday night you may leave your rigs at Little River Dragway. At the gate, let Sandy know that you are with the Corvette Club and she will let you in without paying gate admission. The gates will remain open all night. While there won't be a host hotel, La Quinta Inn & Suites Belton – Temple South located on I35 next to Belton Expo Center, has a large parking lot and is relatively close to Little River Dragway. The Expo Center generally has an event most weekends so reservations should be made as early as possible.

Early registration packages will receive one lunch ticket per entrant per day. Additional lunch tickets are \$7ea. Tech and registration will be available from 7:30 until 8:30 AM on Saturday and Sunday at the respective venues.

We are allowing non-Corvette and/or non-NCCC members to enter the event. The rate will be higher to cover an "NCCC Enthusiast" membership. The entry deadline allows us time to process the membership. This level of entry should adhere to the deadline so we can process the membership. Below are the rules for these entrants:

- Entrants that are not NCCC members driving Corvettes that meet the safety and classification requirements of a NCCC Class may participate in that Class. They will not be awarded points, nor will they affect NCCC member's points.*
- Entrants that are not driving Corvettes may compete in Guest Class(es) provided: They meet the safety requirements of Group 2 if using any DOT approved tires, or meet the safety requirements of the equivalent Group 3 Class if using tires not approved by DOT*
- Enthusiast and Regular members will not compete head to head in the drags. Instead of Record ET Drags, Enthusiast will run an additional ET bracket drag. If you run as an enthusiast you will not be eligible to set an NCCC record.*

Plumbing and hardware for Nitrous Oxide injection is allowed in Group-III and DP ONLY IF capped closed at Nitrous Oxide supply fitting. The Nitrous Oxide supply **MUST be removed from the car.**

For Record Drags there will be an impound area and all cars must enter the impound area after they have run under the record.

ALL Participants, Workers and Spectators must sign the NCCC waiver and the Little River Dragway Waiver.

Long Pants, Sleeved Shirts, and Closed toe shoes are required in addition to NCCC requirements for Little River.

Brackets:

- A. 7.60 and quicker
- B. 7.61-8.15
- C. 8.16-8.60
- D. 8.61 and slower

There is no host hotel for this event. You will be able to find a wide range of accommodation in the Waco / Temple / Belton area. TSTC is on the north side of Waco and there are numerous motels/hotels from there southward to Little River Dragway which you can locate by checking 'nearby' for motels/hotels on Google Maps. Prices range from \$45 to several hundred \$\$\$. Make reservations early as Baylor University is located in Waco (This may not be an issue this year due to COVID-19).

No host hotel has been reserved for this event, below are several hotels in the area.

Hampton Inn
4259 I-35 N.
