

# Oklahoma City Corvette Club Fall Festival Online Registration

When you go to [https://axwaresystems.com/axorm/calendar\\_main.php](https://axwaresystems.com/axorm/calendar_main.php) you should see our events. If not search for OKCNCCC.

Once you get to this screen you will see **"New? Create a New Account"**.

You will need to fill this out **per your NCCC card** prior to registering, so if your NCCC Card has Joseph but you go by Joe enter it as Joseph, if it has Jr please enter it that way. So, "Joseph Racer Jr".

Fill out as much information as possible. As you enter you information if husband and wife are using the same car number I have it set up to accept that as in Glenda and myself, I use 668 and she uses 668L.

Each participant will have to enter separate accounts. You can enter multiple cars and classes then choose which one for the events. Again, Glenda using our '04 Z06 as L2J/K in autocross and switching cars to '09 Z51 L1K record drags.

Once you have finished creating your account you should be able to register for the October event.

If you are only doing just the autocrosses select that day, register with one of your vehicles and then you can check out. You will have the ability to use online credit card or mail a check to :

**8024 Redbud Canyon Trail**

**Edmond, OK 73034**

Same for just the drag events. If you are doing both enter and check out after registering for both days. Discount will be applied at that time.
