

**1<sup>st</sup> Annual Larry Hoaldrige Memorial Event**  
**SWR 1<sup>st</sup> Choice Event Weekend**  
**September 25-26/2021**

**OFFICIAL EVENT FLYER**

**Join Cowtown Vettes** on September 25<sup>th</sup> & 26<sup>th</sup> for a fun weekend of autocrossing; consisting of fourteen low-speed autocrosses. The event will be held at the **Texas State Technical College (TSTC)**, in Waco, TX. This is a large smooth cement ramp area directly adjacent to the airport tower.

You will be able to leave your rig in the TSTC parking lot on Friday & Saturday night.

**Tech will be at TSTC from 6-8pm on Friday (parking lot) and again on Saturday & Sunday morning until the driver's meeting starts.**

***There will be NO CLASS CHANGES after cars are teched; unless the car breaks and verified by Tech.***

We will be providing lunch for entrants that have registered for full day's events. The **TSTC Skills Group** will be providing lunch; it is included for paid entrants (1 ticket per day, per competitor). Additional lunch tickets are available during pre-registration. We do plan to run an efficient event, allowing for a lunch break.

We will have a fun but technical course setup for your enjoyment. Registration ends when the driver's meeting commences; with the first car out following the parade lap. To keep costs to a minimum, there will be no awards, shirts, trophies, etc.

We are allowing non-Corvette and/or non-NCCC members to enter the event. The rate will be higher to cover an "NCCC Enthusiast" membership. The entry deadline allows us time to process the membership. This level of entry should adhere to the deadline so we can process the membership. Below are the rules for those entrants:

- I. Entrants that are not NCCC members driving Corvettes that meet the safety and classification requirements of a NCCC Class may participate in that Class.  
They will not be awarded points, nor will they affect NCCC member's points.
- II. Entrants that are not driving Corvettes may compete in Guest Class(es) provided:  
They meet the safety requirements of Group 2 if using any DOT approved tires, or meet the safety requirements of the equivalent Group 3 Class if using tires not approved by DOT.  
The safety requirements can be located on the web at:

***Everyone MUST sign the NCCC Insurance and/Airport Waiver!***
