

Hill Country Corvette Days

SWR 2nd Choice Events Weekend

Hosted by Longhorn Corvette Club (LCC)
Sanctions from San Jacinto Corvette Club (SJCC)

August 14 and 15, 2021

Burnet + Marble Falls + Highland Haven

Join LCC for the Hill Country Corvette Days which consists of 3 car shows, 2 rallyes, and 1 funkhana over two days. The committee is ensuring that we are not in the heat of the day and we do have air conditioning at all locations of the event. On Saturday, August 14, there will be one judged show (Wash and Show) per National Council of Corvette Clubs' (NCCC) rules, one people's choice car show, and one poker rallye near sunset. The rallye ends at Save the World Brewery where there will be hand out awards for Saturday. We will also have a Top Competitor trophy for the weekend plus other special awards given out. LCC thanks San Jacinto Corvette Club (SJCC) to allow us to host these events for them.

If you want to participate in the funkhana and rallyes and don't have a partner, let us know.

NCCC members:

- Can only score points if they are entering a Corvette in the shows or rallyes.
- Each team member in the funkhana and rallyes can enter a car into the shows.
- You can enter more than 1 Corvette but only one will be judged for points.
- You can enter non-Corvette vehicles as well

Non-members:

- We are not separating members from non-members. If non-members win a category they will not effect the NCCC points scoring.
- There is a \$5 fee extra for all non-members for individual events—All six events \$25.

Non-category awards such as Best in Show, Sponsor Favorite, Kid's Choice, etc. will be announced on August 1, 2021.

No Trailer Queens

If you trailer your car to the event, you will need to show the car moves under its own power and provide fuel receipts/logs that illustrate you drive it regularly. Please let us know if you plan to trailer.

All events are rain or shine!

Overview of the Events

Judges: To ensure impartiality on the judged show, each team of two judges will have someone from a classic, restoration, or other car club and a NCCC member.

Car Show Categories: We have a category for every type of vehicle. All vehicles must move under their own power for the car shows.

Wash and Show Car Show: is for those who drive their cars regularly and wish to participate in the Concours, but do not have the interest or time to detail the car to the same standards as the "show cars". Cars in the "Wash & Show" class are not required to open their hood as part of the Concours. Please note that after the driver's meeting, you will not be allowed to polish or clean your vehicle until after it is judged. The judges may ask that you open the doors, etc.

People's Choice Car Show: Participants and attendees will be given ballots and walk around the entrants to pick their favorites in each category. Your dash placard will indicate what category(ies) you have entered. You will receive one dash placard for Saturday and one dash placard for Sunday. You can participate in both shows at the same time on Saturday.

Funkhana: Each team, composed of a driver and navigator, must complete tasks — often centered around a theme — that involve teamwork and a sense of humor. You will not be using your vehicle. We will have a vehicle that you start and stop the event. The rest of the funkhana will be in air conditioning.

Rallyes: Cars must be street legal including valid insurance and current registration. There will be a tech inspection. See the Rallye Tech Sheet by clicking here: https://www.corvettesnccc.org/Handbook/NCCCRulebook_2020-2021.html

Gimmick Rallye: is one in which the Rallyemaster presents route instructions and questions that the alert Rallyists must follow and answer along the Rallye route. The Rallyists can be required to test out their navigational abilities and match their wit and skill with the Rallyemaster. Answers to questions may be found on either side of the road. This Rallye is scored by following instructions, providing correct answers and being in by the pre-announced time given by the Rallyemaster in the "Generals" or at the Entrants Meeting.

Poker (Chance) Rallye: Chance Rallies are fun Rallies. The usual navigational demands are minimized, courses are relatively simple, average speeds are readily obtainable or unnecessary. Several checkpoints are set up and, as each car pulls into the checkpoint, the DRIVER or NAVIGATOR draws the cards. The winner is the car which comes in within the specified time with the highest or lowest, as identified at the drivers meeting, poker hand assembled from the cards drawn

Awards: There will be Best in Class awards given for each class listed in the car show. We will award through 3rd place with a Class Award. You will receive the trophy at the show. We will send a detailed information label that you can place on the trophy. Besides the category awards, there may be special awards such as Best in Class, Kid's Choice, the host sites favorite, etc. People's Choice ballots will be given to all participants and attendees. Special ballots for children will be given out at Saturday's People's Choice show only. Rallyes awards given through 3rd place on each rallye. Funkhana awards given to first place and fastest time of day. If there are more than 10 cars in a car show/funkhana category or rallyes: then we will follow the NCCC rules and issues awards accordingly.

Charities: Saturday's charity will be Texas Humane Heroes. Sunday's charity will be Southwest Region NCCC Scholarship Fund. There may be 50/50 drawings, door prizes, and such as well. A portion of your entry fee also goes to the charities as well. We will also be giving a donation to the Hill Country Fellowship for the use of their facilities on Saturday. If you need documentation, please email treasurer@longhorncorvette.com.

Lodging: There is not a host hotel. There are several Choice Hotels in the area including a Quality Inn in Marble Falls and a Comfort Suites in Burnet. Both properties will give you the NCCC discount if you book online or by calling the hotels directly. For more information on how to use this discount, visit:

<https://www.corvettesnccc.org/Friends.html#Numberchoice>

Cooling Stations: All venues have air conditioning. Water will be provided to all participants. Sunday's food and beverages are potluck. No alcoholic beverages allowed while competing.

Refunds: All events happen rain or shine. Full refunds issued up to August 7. If you are ill or have an emergency after August 7, we will decide to issue refunds on a case by case basis. Please send refund requests to John Tiemann via email to governor@longhorncorvette.com

Remember that we are also raising money for charity so if you do not attend and pre-registered, you are more than welcome to tell us to donate the funds and we will split them between the Texas Humane Heroes and SWR NCCC Scholarship Fund. **Stay home if you feel sick or have a contagious illness.** If you pay for a t-shirt up front, we will ship it to you if you cannot make it.

COVID Precautions: We urge everyone to read and follow the latest guidance from the [Centers for Disease Control](#), [Texas Department of Health](#) and [Burnet County](#). Again, if you get sick while at the event, please do not worry about finding an organizer and letting them know. You can text John Tiemann or Kelley Knight Heins to let the organizers know you cannot return.

Children: They are welcome at all events and venues. Note that children must be ¹⁶~~12~~ or older to participate in the rallyes and funkhana. All Future Corvette Owners Association (FCOA) members will receive a special gift. For more information on FCOA, visit <https://www.corvettesnccc.org/fcoa1.html>.

Party Only Participants: If you are only participating in the party on Saturday night, it is requested that you pay \$20. This will increase the donations to our designated charities.
