

Corvette Association of South Texas

COAST

Fall Weekend, October 2 & 3, 2021

COAST invites you to our fall weekend. We will be hosting 7 low speed autocross events, matching times drags, bracket drags and record drags (all drags are 1/8 mile). This year's autocross and drag races will be held at Little River Dragway, in Holland, TX. This is a no trills weekend, so no awards, t-shirts, etc. What we will provide is a fun weekend of racing. A big thank you to the Longhorn Corvette Club as they will be putting on the low speed autocross.

You can register **online at www.longhorncorvette.com follow the link from the home page and the COAST sheet.** If you want to pay by check, please send the registration form and check (made out to Longhorn Corvette Club) to:

John Tiemann
9303 Honeycomb DR
Austin, TX 78737

Although all events are outside in open air, social distancing and mask are highly recommended.

For the weekend, trailer Parking and Tech Inspection is at the drag strip. You will be able to leave your rig on the drag strip grounds Friday and Saturday. On Friday night there will be an open test and tune session thus there will be parking but may not be were you want for the Saturday autocross. If you plan on leaving your rig and not stay to watch the racing or test and tune, tell the person on the ticket booth when you enter that you are with the corvette club and are dropping off your rig. The gates will remain open all night.

There is no host hotel for the event. We encourage all those attending to use a Choice Hotel in Temple or Belton area and use the National Council of Corvette Clubs (NCCC) discount. Experts of the area say it is probably best to stay at a hotel near Loop 121 in Temple because the ease to get to Little River Dragway on Sunday. Visit www.choicehotels.com for hotels in the area. And for the NCCC discount visit here: <https://www.corvettesnccc.org/Friends.html#choice>.. La Quinta Inn & Suites Belton – Temple South is located on I35 and loop 121, next to Belton Expo Center and has a large parking lot as part of the Expo Center but does not appear to be choice hotel. The Expo Center generally has an event most weekends so reservations should be made as early as possible.

Tech and registration will be available from 7:30 till 8:30 on Friday and Saturday.

COVID precautions/guidelines at the time of the event will be followed. If events are canceled due to rain or COVID, we may issues refunds minus any deposits or other fees that cannot be refunded to us. If you feel sick at any time during or prior to the event, please do not come. If you leave at any time during the event because you feel sick, please contact John Tiemann or James Garvin to let them know.

Lunch will be available from the concession stand at the drag strip both days. NO ALCOHOL ALLOWED at Little River (during the event). NO GLASS BOTTLES of any beverage are allowed. We plan to only take a 30 minute lunch break both days so going off-site is not recommended.

If you are not a member, you can participate. You will be **charged \$75 on top of the registration fees.**

- Non-NCCC Corvette drivers will need to meet safety requirements set forth in the NCCC Rulebook.
- Non-Corvette entrants regardless of member or not, will compete in X class. Trucks, SUVs or other “tall” vehicles are not allowed to compete in autocross.
- Non-NCCC Entrants review the safety requirements located on the web at:
https://www.corvettesnccc.org/Handbook/NCCCRulebook_2020-2021.html.

Plumbing and hardware for Nitrous Oxide injection is allowed in Group-III and DP ONLY IF capped closed at Nitrous Oxide supply fitting. The Nitrous Oxide supply **MUST be removed from the car.**

For Record Drags there will be an impound area and all cars must enter the impound area after they have run under the record or within .1 of the record.

ALL Participants, Workers and Spectators must sign the NCCC waiver and the Little River Dragway Waiver.

Long Pants, Sleeved Shirts, and Closed toe shoes are required in addition to NCCC requirements for Little River.

Brackets:

- A. 7.00 and quicker
- B. 7.01-7.80
- C. 7.81-8.60
- D. 8.61 and slower
- X. All non-nccc entrants and all non-corvette entries

For questions, contact James Garvin by email at james.garvin@ymail.com or 210 416-0011.
