

Cen-Tex Corvette Club & Texas Competition Coast Corvette Club

March 26 - 27, 2022

We look forward to having everyone at our NCCC event for 2022 after last year having so many cancelations due to COVID-19. We will have **14 low speed autocrosses**. We will be using one of our venues from previous years, McLane Stadium (Baylor football stadium) in Waco. This is a large smooth parking lot.

You will be able to leave your rig in the stadium parking lot Friday and Saturday night. Tech will be at the stadium till 8pm on Friday then Saturday/Sunday morning up until the drivers meeting.

We will have a concession stand on site each day that will include burgers and such for lunch. Each pre-registered 14 event entry will receive a \$5 coupon for each day to use at the concession stand (one per day). We do plan to run an efficient event allowing for a lunch break.

The drivers meeting will start at 8:15 AM. The first car on the track will be at 8:30.

To keep costs to a minimum, there will be no awards, shirts, or trophies. Our goal is to provide you with thrills that we missed out on last year.

We are going to be allowing non-Corvette entrants to enter the event this year. The rate will be higher to cover an "NCCC Enthusiast" membership. All entrants will be required to have an NCCC membership, this is a Cen-Tex Corvette Club requirement for this event. The entry deadline allows us time to process the membership. This level of entry should adhere to the deadline so we can process the membership. **Entrants that are not driving Corvettes may compete in Guest Class(es) provided:**

- A. They meet the safety requirements of Group 2 if using any DOT approved tires, or meet the safety requirements of the equivalent Group 3 Class if using tires not approved by DOT.**

The safety requirements can be located on the web at:

[NCCC Rulebook 2022-2023 \(corvettesnccc.org\)](http://www.corvettesnccc.org/Handbook/NCCCRulebook_2022-2023.pdf)

Everyone will sign the NCCC waiver!

Something that may interest those not racing or after the event is the Magnolia Silos and market (Fixer Upper) is only 1.5 miles away. If interested please check their website for the current COVID-19 requirements. <https://magnolia.com/silos/>
