b. CATEGORIES OF COMPETITION - Points shall be awarded in five (5) categories: (1) Concours (not People's Choice), (2) Rallyes, (3) Speed Events - includes autocross and matching time trials, (4) Drag Racing and matching time drags and (5) Funkhana. Drag racing and speed event categories shall be broken down by men's and ladies' categories. Not included in the series are Economy Runs (because of their rarity), P.C. ELIGIBILITY - A contestant shall be allowed to participate in any and all categories of competition, but the points accumulated in each category shall be applicable to the category only. A contestant must enter at least five (5) events of the same category throughout the year to be eligible for a yearend award. If there are less than five (5) events in a given category, a contestant must have entered at least 51% of those events to be eligible for a year-end award. Those entering Novice class shall be considered an eligible entrant and will receive points at each low-speed event per NCCC rules.

c. SCORING - Points for participating in the different categories shall be awarded as per the NCCC Rulebook, **excluding travel points.** Entrant, Chairman and Co-chairman Points shall be awarded per the NCCC Rulebook.
