Join us for the 2nd NCCC competition of the year. Longhorn Corvette Club proudly uses COAST sanctions to bring you 2 People's Choice Car Shows and 2 concurrent rallyes. The rallyes will be hidden time and gimmick. The library volunteers/staff will pick their Top 5 cars in one show and the registered participants will have another ballot for the second show. Portion of the registration fees will be donated to the Oakalla Public Library.

**We encourage everyone to register online.** If you want to pay by cash or check onsite, it is best to register now and select "pay later" to get the early bird rate online. If you want to register by phone, please contact Kelley. Event will be held in accordance of the NCCC Rule Book. You only score NCCC points if you use a Corvette and are an NCCC/LCC member. *If want to become a member, please contact John Tiemann by Jan. 15.* All rallye cars regardless if they are are a Corvette are required to pass tech. Drivers are required to show a valid driver's license and proof of liability insurance upon check in. All rallyes will need a driver and a navigator. Chili and other awesome food will be prepared by the Oakalla Public Library chili masters.

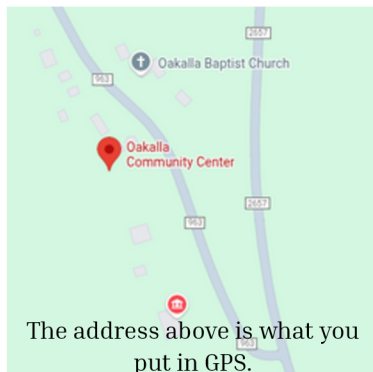

After the completion of the rallyes, we will partake in the chili cook-off while selecting the cars in the People's Choice show. You can prepurchase with your registration a \$5 tasting bowl. Please visit the event website for updates on the offerings and such that will be made available at the event. Bring cash if you plan to purchase tasting bowls and other eats at the event.

Visit the event website for more information and to register.

Failure to visit the website, you may miss key information for a successful rallye.
