

**SW Region Scholarship Fundraiser
NCCC Sanctions Add-On at Corvette
Show for BCRF
October 3, 2026**

AutoNation Chevrolet
West Austin
11400 Research Blvd, Austin, TX

The four people's choice car shows are being added on to the Longhorn Corvette Club's (LCC) Corvette Show for Breast Cancer Research Foundation (BCRF). Mid-Coast Corvette Club (MCCC) donated the sanctions.

**YOU MUST REGISTER FOR THE CORVETTE SHOW FOR BCRF
then add the NCCC Sanctions Option for \$10.00 till Sept. 15
You can only register for all four shows.**

Each add-on registration is for one car. However, up to two National Council of Corvette Club (NCCC) members can earn points for that one car (Driver and Navigator). Each show is worth three (3) NCCC points for a total of 12 points. Car show workers who are NCCC members can earn worker points but cannot earn both.

The four sanctions total would be \$10.00 additional to the registration through September 15, 2026. September 16 through October 3, NCCC sanction add-ons will be \$15.

Registration is limited to the size of the parking lot we use--so that's 75 cars. NCCC results will not be impacted by non-NCCC members. There will not be separate awards given for NCCC members. The four groups of voters will be: Sponsors and AutoNation Chevy Employees; Children (aka Kid's Choice); Participants voting for their class; and, overall Participants who vote for Top 3 Corvettes no matter the class. BCRF Corvette Show website will have updates and more information.

LCC hopes to raise \$10,000 for BCRF and \$500 for Southwest Region of the NCCC scholarship fund. The NCCC Sanction Add-On proceeds benefit the scholarship fund. 100 percent of the BCRF Registration goes towards to driving out breast cancer.

All registrations must be postmarked by September 15 or entered by midnight online by September 15, 2026.

LCC and MCCC would like to thank the Corvette Show for BCRF sponsors. If you would like to sponsor the show, please contact Alan Waters.
